

## Securitas: an important contribution to security in Switzerland.

Our activities 2015 in figures.

# We ensure Swiss quality of life, 365 days and nights of the year.

As the uncontested leader in the Swiss private security market Securitas AG has been providing a valuable contribution to the whole of society year after year, as is shown again in our latest deployment statistics. 5,210,515 times security-relevant incidents were reported by our employees throughout Switzerland in 2015. With a comprehensive range of security services and our technological know-how in alarm and security systems we are able to provide security from a single source to our clients 24/7. With its physical presence our nationwide organised corps contrib-

utes actively to the high standards in security and quality of life in Switzerland. Our experts develop integral security concepts regarding all security-relevant aspects and support enterprises, authorities, organisations in their implementation. Additionally, our own security academy SBSS guarantees comprehensive training for our clients and employees. And finally, numerous seals of quality and ISO certifications underscore the high quality of our security services, which you, as a Securitas client, can always count on.
